## **Cancellations/Illness:**

- Four weeks notice is to be given for cancellation of lessons, where possible.

- Lessons missed due to teacher's absence can be made up at a mutually convenient time or a credit will be given for the next term.
- Students are obliged to inform the teacher **at least by 9am that day** if unable to attend a lesson. In cases of genuine illness a lesson may be made up at the discretion and availability of the teacher.

## **Public & School Holidays**

- Most public holidays lessons will go ahead as usual, unless otherwise notified.
- Many students like to continue lessons over holidays. Payments can be made week to week in these cases.

## **Lessons & Practice**

- Progress in learning a musical instrument requires consistent practice. 5-7 days practice each week is expected from students. Young students will need encouragement and support from parents, and you may be required to sit with them as they practice until they can do it effectively on their own, or with you hanging around in the background.
